DECEMBER 31, 1934

(States, Territories, and Towns Alphabetically Arranged)

(See page 3 for information as to the particular items
included in the various headings used in this table)

NOTE.—In each of the years 1923 to 1929, inclusive, a table similar to table "L" mentioned above, showing statements of assets and liabilities of the individual national banks for one date in the year, was also issued as a supplement to the Comptroller's report, but in lieu of being designated as tables "A" to "G", inclusive, they were numbered 89, 93, 94, 98, 121, 97, and 103, respectively. Since 1930 the supplements are lettered alphabetically beginning with the letter "H." Prior to 1923 individual statements were included in the report proper.

Figures for individual private banks, which are published by the Comptroller for the first time in the supplement for 1934 (Table L), due to the requirements of Section 21 (a) of the Banking Act of 1933 are shown alphabetically, by States, following those for national banks in the State of Wyoming.
